

CURRICULAR PRACTICAL TRAINING (CPT) Off-Campus Employment Authorization for F-1 Students

Curricular Practical Training (CPT) is authorized off-campus employment for a student maintaining an F-1 visa. The student must have been lawfully enrolled on a full-time basis for at least a full academic year and secured a training position that is an integral part of the school's established curriculum.

ELIGIBILITY:

You must have CPT on your I-20 (authorized by your Designated School Official) prior to beginning employment. Working without employment authorization is a violation of visa status and may result in a student losing legal status in the United States.

ADDITIONAL CONSIDERATION:

- Employment authorization for CPT must not occur after completion of studies and cannot delay the student's expected completion of studies date. Students seeking employment post-completion may apply for post-completion Optional Practical Training (OPT), which is a separate process.

APPLICATION CHECKLIST

- Recommendation form (attached).
- Letter from the employer indicating name of employer, address where you will be working, Job duties, and beginning and ending dates of employment.

APPLICATION PROCESS

1. Meet federal requirements for CPT employment.
2. Secure job offer letter from an employer with job duties related to your field of study for your major.
3. Fill out CPT form and send it along with job offer letter to the Director of International Student Services. Note: If you will require SSN documents (if this is your first employment in the US) please also submit a Document Request Form.
4. If approved, international office will add CPT authorization to your I-20 and email it to you.
You cannot start employment until you receive your CPT I-20.

APPLICATION DEADLINE

CPT must be submitted no later than 2 weeks prior to the anticipated start date of the CPT. If it is your first employment in the US, we strongly encourage you to submit your CPT one month in advance of the anticipated start date to allow for time to apply for your SSN.
